

# Pendant

DESIGNED FOR AGED CARE

## Key Benefits:

- Low Cost
- Glow in the dark
- Two button option
- Easy grip silicon design
- Integrates into most call systems
- IP67 Rating

## Nurse Call Pendant

Lindon Group nurse call pendants have been designed with the Aged Care industry first in mind. Not only do the pendants use a glow-in-the-dark material, but they also provide a soft feel which helps prevent the pendant from slipping off patient beds. In addition, with the options of a suitable angle mono or stereo plug and one or two button pendants, we are sure to provide the right pendant for your facility at a more than competitive price.

## Why Choose Us?

Lindon Group strives to provide vital customer-focused services with turnkey product solutions such as Nurse Call and Security Systems for the Healthcare industry. We provide integrated healthcare solutions that deliver better care and security designed to make healthcare more straightforward for everyone, allowing you to focus on what matters most. We aim to become the leading expert in our field whilst continuing to provide personalised customer service.
